## SUMMARY OF THE FACTS OF THE CASE/CHARGES

Verden public prosecutor's office and Lower Saxony Land Criminal Police Office request your assistance!

Since 2015, the wanted persons Ernst-Volker STAUB (born on 30/10/1954) and Burkhard GARWEG (born on 01/09/1968) have been under investigation by the aforementioned public prosecutor's office for attempted murder and various attempted and completed aggravated robberies, which were committed in Bochum-Wattenscheid (27/12/2006), Wolfsburg (28/12/2015), Cremlingen (25/06/2016), Stuhr (06/06/2015) and other places in the period from 1999 until 2016.

It is still not clear where the wanted persons are staying, whether in Germany or in other European countries.

The investigating authorities also specifically ask the wanted persons' families, their friends and former RAF supporters to come forward with any information.

Therefore, we wish to point out the following:

Information and leads can also be provided confidentially.

Germany's investigating authorities have arranged for the use of the BKMS® system so that members of the public can get in touch with the investigating authorities anonymously and tip them off.

Please note that the BKMS® system is not a system run by the police. It has been successfully used for many years for the disclosure of anonymous information about cases of corruption in the private sector.

Your identity is absolutely safe; it is neither needed nor important for using the system. The system is technically designed in a way that the tips and information provided as well as the dialogues are automatically anonymised, which means that there is no way of tracing data back.

You can find the link to the BKMS® system [here](#).

Caution:

**Please do not approach the wanted persons; they might be armed!**

## REWARD

A reward of at least EUR 125,000 is offered by various German offices and authorities for any information leading to the apprehension of the wanted persons. The reward will be granted and allocated without the possibility of recourse to legal action. Only private individuals are entitled to the reward. Office holders whose professional duties involve the investigation and prosecution of criminal acts are not entitled to it.
